

**About the Company**

Louis Garneau is a worldwide leader in sports clothing and accessories. As a fast-growing business, every individual makes a valuable contribution to the company's success. Louis Garneau USA is dedicated to offering innovative products while responding to the needs and requirements of our customers.

**Graphic Designer – Custom Department**

The position of Graphic Designer serves Louis Garneau USA in its Newport, VT location. The ideal candidate will have strong people skills and be proficient in Adobe Creative Suites. The incumbent will be responsible for contacting U.S. customers to generate artwork based on the customer's requests. This person will need to understand customer's needs and work with blank scaled layouts to generate the artwork desired by the customer while respecting company standards and requirements for production. You will be performing interesting and rewarding work in a courteous and professional environment while being exposed to a variety of challenges.

**Responsibilities include:**

- Working with Louis Garneau garment templates, understanding of overall design concepts and applications, resulting in fully assembled garments that meet customer's expectations.
- Upon signing of contract, the graphic designer will be contacting U.S. Customs customers to discuss artwork and translate concepts into reality.
- Acting as a liaison between the custom sales representatives and the production department in order to meet established contractual deadlines and deliver finished product to customer.
- Drafting artwork to meet customer's needs and requirements.

**Minimum Requirements:**

- Strong knowledge of Adobe Illustrator
- Proficient in Adobe Creative Suite & Microsoft Office.
- Ability to work in Mac & Windows environments seamlessly.
- Ability to work systematically.
- Must be self motivated and able to take initiative.
- Strong verbal communications skills.
- Excellent inter-personal skills
- Very organized & detail oriented
